

Financial Reporting Updates for 2020 and Beyond and Covid-19 Impact

Aim:

The IFRSs Update seminar has been specifically developed to bring experienced preparers and users of IFRSs financial statements up-to-date with the latest developments and refresh key concepts and issues on challenging requirements of core IFRSs.

Objective:

The seminar includes coverage of effective and issued IFRS and recent developments. On completion of this seminar participants should be able to Highlight current developments in IFRS/IAS.

Participants' Profile:

The seminar is addressed to financial controllers of groups and individual companies, accountants and auditors with either professional qualifications or relevant experience in preparing, analyzing and presenting financial statements.

Lecturer's Profile: Stelios Ntotsias, BSc, ACCA

Stelios started his career in the audit and assurance services with one of the Big-4 firms and then pursued a career in the financial services industry, working with a leading retail network bank.

He has extensive experience in professional training and has over 20 years' exposure in financial reporting and advisory. He is a fellow member of ACCA and a Certified Internal Auditor.

He has been delivering courses for Globaltraining since 2004 and currently holds the position of Technical Director in BDO Greece.
