

IFRS Updates and Consolidation Refresher

Aim:

The IFRSs Update seminar has been specifically developed to bring experienced preparers and users of IFRSs financial statements up-to-date with the latest developments and refresh key concepts and issues on challenging requirements of core IFRSs.

The seminar also intends to cover some advanced aspects of consolidated financial statements, reviewing Piecemeal Acquisitions, Partial Disposals and Mixed Groups.

Objective:

The seminar includes coverage of newly effective and issued IFRS, recent amendments to existing standards and interpretations, exposure drafts and other recent developments. On completion of this seminar participants should be able to:

- Understand and explore recent changes at IFRS/IAS.
- Have a practical understanding of complex group structures and transactions with respect to consolidated statement of financial position and consolidated statement of profit or loss
- Highlight current developments in IFRS/IAS.

Participants' Profile:

The seminar is addressed to financial controllers of groups and individual companies, accountants and auditors with either professional qualifications or relevant experience in preparing, analyzing and presenting financial statements.

Lecturer's Profile:

Stelios Ntotsias, CIA, FCCA

Stelios started his career in the audit and assurance services with one of the Big-4 firms and then pursued a career in the financial services industry, working with a leading retail network bank.

He has extensive experience in professional training and has over 17 years' exposure in financial reporting and advisory. He is a fellow member of ACCA and a Certified Internal Auditor.
